

TECHARENA

Global Talent Building the Future Together

Huawei Multi-Regions Challenge 2024

Join the Future of Modern Energy Storage at Huawei 2024 Nuremberg Tech Arena!

We're excited to invite English-speaking students from Bachelor's to PhD levels across the European Union to participate in this exhilarating event.

This is your chance to compete towards a 20,000€ prize pool and be at the forefront of innovation.

THEME MODERN ENERGY STORAGE SYSTEMS

The challenge:

Participants in the competition will be challenged to create the best algorithm for estimating the State of Charge (SOC) of Lithium Iron Phosphate batteries. Each team will receive high-quality, real-world operational data, which they will use to build and train their algorithms.

WHY PARTICIPATE?

Hack for Innovation: Collaborate with peers to create groundbreaking solutions.

Showcase Your Skills: Present your ideas and prototypes to industry experts and tech leaders.

Network and Collaborate: Connect with brilliant minds and potential collaborators worldwide.

Learn and Grow: Participate in workshops led by top professionals in the tech field.

Win Big: Compete for a chance to win up to 6,000 Euros.

HOW CAN YOU JOIN?

Registrations are now open.

Please check the website for more information.

Not from Germany? Don't worry—Huawei will cover your transportation expenses.

WHEN?

From September to December. Award ceremony will take place on December 19, 2024.

WHERE?

Nuremberg, Germany.

WHO CAN JOIN?

English-speaking students from across the European Union are invited to participate in the Nuremberg Tech Arena. Whether you're a Bachelor's, Master's, or PhD student, this is your opportunity to put your skills to the test and demonstrate what you're capable of.

Form teams of 1-3 members. If you're a Bachelor's student, we highly recommend joining a team with Master's or PhD students for a more enriching experience. However, if you're confident in taking on the challenge alone, we fully support your decision.
